UNDERSTANDING IMMIGRATION ISSUES

THE BORDER

Regardless of your position on Immigration, it is critical to base that position on facts rather than opinions. Unfortunately with the internet, social media, and the impending election, many are eager to play upon our sympathies to support their agenda. This presentation is intended to provide information to help in developing your position and hopefully an action plan to implement change.

Mr. Pete Hermansen, former Senior Border Patrol Agent, will explain the Border from firsthand experience. Mr. Hermansen served for 22 years in the United States Border Patrol including leadership positions in Arizona, Texas and Washington, DC. He has significant experience with transnational criminal organizations and has conducted multiple complex operations targeting both alien and drug smugglers throughout the United States, Central and South America. These cartels are highly organized with one primary focus: making money.

*This presentation is the first of a multi-part series. The next session will be Tuesday, September 10, from 10am - 12pm.*
